

# SPEAK UP Prevention Education Vertical Articulation

Professional Development Purpose: Utilizing research-based practices, the...

## Sex Abuse and Exploitation of Children Training

**Big Idea:** Teachers will learn risk factors for sex abuse in children, warning signs to look for in students, and how to handle disclosures of abuse.

- Define sex abuse and sex trafficking
- Define the short and long term effects of being sexually abused
- Identify risk factors for being sexually abused
- Identify behavioral, emotional, and physical signs of sexual abuse and trafficking
- Describe how students might disclose about abuse
- Explain how to respond to a disclosure

### Key Vocabulary:

- Non-contact sex abuse
- Contact sex abuse
- Risk factors
- Behavioral warning signs
- Emotional warning signs
- Physical warning signs
- Sex trafficking
- Disclosure

**Purpose:** Utilizing research-based practices, the Foundation United has designed a curriculum that is intended to equip students with the necessary skills and knowledge to decrease risk of sexual abuse from grades K-12. The vertical articulation below highlights the cohesive vision to age-appropriately equip students with the primary focus of abuse prevention.

## Grade Band

## Big Ideas, Outcomes, and Key Ideas Vocabulary:

### Safety

Lower Primary

### K-2nd

**Big Idea:** I am learning about **safety!** I know how to identify what is safe and unsafe; I know what to do when I feel unsafe.
